Nike Sportswear launched the V-Series+ Series in 2011, and let's pay tribute to V-Series's series of shoes that have changed the running shoes. V-Series+ series of the re issued yellow and grey / gray / red two new colors, and integrated into the new technology and modern technology, the classic shoes on all the time, the Nike demand of runners have a profound understanding of, and the design of V-Series+ series of shoes according to the different needs of formal runners, this payment is expected this summer listed, enjoy sports friends please grasp.

Reebok in order to commemorate the birth of The Pump series 20th anniversary, will be engraved with a variety of those years with Pump technology classic shoes, coincidentally, Reebok, Pump, Omni, Lite is one of them. Of course, these shoes also because when Dee Brown wore it to win the dunk contest champion and name a while. The streamlined appearance, the practical Pump charging technology, is also why people like it. But the US for the new color of this Pump Omni Lite introduce is somewhat different, this time with the new suede and Ripstop nylon fabric to create with the shoe body, with simple gray with eye-catching Fluorescent Pink and fluorescent yellow for ornament, eye-catching eye-catching but not vulgar; yellow shoes with soles the ink details, make shoes more outdoor fashion sense, it is applicable both men and women of fashion. Behind the color full of every corner of the shoes, revealing the fashion is to let all the people forget that it was a pair of basketball shoes, it seems fashionable culture really can make shoes completely change.
